LUCK

Crit/fumble rolls

Luck: Having a halfling accompanying an adventuring party is considered lucky. One halfling in the party (chosen at random daily) receives the following abilities for being “lucky:”

- Weapon training:** Halflings prefer to battle with a weapon in each hand. A halfling is trained in the use of the club, crossbow, dagger, handaxe, javelin, shortbow, shortsword, sling, and staff. Halflings usually wear armor.

- A halfling is always considered to have a minimum agility of 16 when fighting with two weapons. In other words, a halfling uses 1d16/1d16 for their two-weapon attacks unless their agility would cause a better roll.
- A halfling can fight with two equal-sized one handed weapons.
- Halflings can inflict critical hits as normal with either attack.
- When fighting with two weapons, halflings fumble only with both dice roll 1.

Small Size: Halflings are 2-4 feet tall and less than 70lbs. This small size means they can squeeze into small spaces easily, but they move at 2/3 the rate of the taller races
